If you do want to reserve a specific, numbered campsite (Designated Campsite) you must choose either the "Lodoga Side" or the "Stonyford Side" depending on which side of the reservoir you'd like to camp on. This is *Designated Camping*.

Group Camping will allow you to reserve on of three group areas: (1) Hole in the Wall (2) Coyote Cove (3) Chisolm Cove.

Step 4: Enter how many days you wish to camp. Days are 12pm to 12pm.

Step 5: Enter how many adults will be on the campsite.

Step 6: Enter how many children will be on the campsite.

Step 7: Select your desired campsite from the drop down menu. NOTE: This option is not available for Group Camping. Group Camping will not reserve a Designated Campsite for you.

Step 8: Select only the START DATE of your camping trip on the calendar.

Step 9: Fill in your vehicle information. ONLY the vehicle information of vehicles staying on that campsite. Do not enter the same vehicle on two different campsites or you will be charged twice!
