

**MEMORANDUM**  
**DEPARTMENT OF PLANNING & BUILDING**

**To:** Colusa County Planning Commissioners

**From:** Kent Johanns, Associate Planner

**Subject:** Westside Spreading (Suellen Witham)

**Date:** January 3, 2017

---

Staff has evaluated all the information and comments provided at the November 2, 2016 Planning Commission meeting and determined that additional CEQA analysis should be conducted for the Westside Spreading project, AP #16-10-1. Staff is anticipating that the Initial Study will result in a Mitigated Negative Declarations. Staff has requested that the applicant submit product quality and water quality testing information for the CEQA analysis. As a result, staff is recommending a continuance until the March 8, 2017 Planning Commission meeting. The applicant has been notified and has concurred with staff recommendation (see attached e-mail).

**Subject:** Re: Continuance of Hearing

Kent,

Yes I am willing to go through the CEQA process and I am willing to continue the hearing until the March Planning Commission Meeting.

Thanks,  
Suellen Witham
