NEWS BRIEF: Colusa County Advances to Less Restrictive Red (Substantial) Tier of COVID-19 Blueprint for a Safer Economy.

Effective Sunday, March 14th, based upon local COVID-19 (Coronavirus) metrics from the week ending February 27th, as well as the State hitting its goal of administering two million vaccines in underserved communities, the California Department of Public Health (CDPH) has reassigned Colusa County to the Red (Substantial) Tier of the State's Blueprint for a Safer Economy.

Advancement to the Red (Substantial) Tier allows for additional indoor activities, and loosens capacity limits to several Activity and Business Tiers. Tier reassignments are effective Sunday, March 14th.
