NEWS BRIEF: California Department of Food and Agriculture (CDFA) Beet Leafhopper Letter Sent in Error; Colusa County Residents Asked to Disregard.

Last week, the California Department of Food and Agriculture (CDFA) Integrated Pest Control Branch mailed a letter to the owners of 2,222 assessor's parcel number (APN) in Colusa County concerning the beet leafhopper, requesting access to properties for abatement purposes. This letter was sent in error, and Colusa County property owners who received this correspondence are asked to disregard it.

The CDFA is expected to release additional information in the coming days. At this time, there is no action needed from those who have received this letter, and no need to contact the Colusa County Agriculture Department or any other county agency.
