### **NEWS BRIEF: Colusa County Transit Agency Schedules Temporary Closure**

In response to a lack of available staffing to effectively support services, Colusa County Transit Agency is suspending public transportation services from November 14, 2022 through November 18, 2022. Regular public transportation services will resume Monday, November 21, 2022.

“We apologize for this inconvenience as we work to identify a solution to avoiding staffing shortages in the future,” said Mike Azevedo, Colusa County Public Works Director. “We are committed to providing safe, quality services, and cannot operate without an appropriate level of resources. We appreciate your patience and understanding.”

Please call the Colusa County Transit Agency at (530) 458-0287 with any questions.
