NEWS BRIEF: 2023/2024 Secured Property Tax Bills Reference Incorrect Dates

The Colusa County Treasurer/Tax Collector Department (Department) mailed 2023/2024 property tax bills to homeowners last week. After the mailing was complete, the Department noticed that the "IF PAID BY" dates on the stub portion of the bills were incorrect. Property owners are encouraged to review their property tax bills and note the corrected dates.

The following are the correct "IF PAID BY" dates:

- 1st Installment should read IF PAID BY 12/10/2023
- 2nd Installment should read IF PAID BY 04/10/2024

All other dates, values, and amount due are correct. We apologize for any inconvenience this has caused.
