

## INFORMATION FOR VOTERS VOTING BY MAIL

Take your time filling it out, but get your ballot back by the deadline so it can be counted. Did you know that your vote by mail ballot must be returned to a secure location by close of polls on Election Day in order to be counted? Here are some simple ways to make sure that happens:

- Mailing it back? Don't wait. Mail at least 5 days prior to Election Day.
- Return your ballot in person to the Clerk's Office anytime Monday—Friday 8:30 to 4:00.
- On Election Day: Bring your voted ballot to any polling place in the county. Polls open at 7:00 a.m. and close at 8:00 p.m.
- Take a second to double check. **Make sure you sign and complete your return envelope.**
